Circus 101

The performances we offer fall into three categories: Walk around and ambient artists, center stage acts, and a full length show,

Center Stage Acts

Draw all eyes to the stage with a center stage act! We offer a variety of acts to choose from.

Walk Around and Ambient Artists

This type of performance adds to your event's atmosphere. The artists can perform continuously while your guests socialize, or the artists themselves can mingle with the crowd!

Full Length Show

You can choose from a variety of pre-packaged shows, or we can talior a show to your needs. Pre-packaged shows typically last 45 to 60 minutes.
