

Stilt Dancers

You have never seen stilt performers like this before! This act showcases a stilt dancer in a colorful costume who dances like no other. Complete with high kicks, splits, acrobatics, and contortion moves, this larger-than-life dance is sure to leave a big impression! As a center stage act, or the artist can be incorporated in to a larger production.

Special Notes

The composition of the stage surface is an extremely important factor for the dancer.

Please get in touch and be prepared to send along photos and a description of your stage or flooring.
