

# Stilt Walkers

Stilt walkers are a larger than life, colorful and dynamic presence, perfect for wandering through large crowds or acting as a meet-and-greet figure at the front door, setting a festive tone from the first moment of the event. Stilt walkers interact with crowds with friendly banter, pose for pictures, and contribute to the festive atmosphere of any event.

## Special Notes

Ensure that there are high enough ceilings for a 10 to 12 foot tall person to walk around! Regular sized doors are perfectly fine, our stilt artists are accustomed to walking through them.
